

Dear Sir or Madam,

Thank you for considering a donation to help fund hunter advocacy, wildlife conservation, hunts and fishing excursions for veterans, youth outdoor programs, habitat preservation and game management in Washington and across the US. The 23rd annual Seattle Sportsmen's Convention fundraiser will be held on March 4, 2023 in Lynnwood, WA. Coordinated by the Seattle Sportsmen's Conservation Foundation. Attended by more than 350 attendees from across Washington State, this is our main fundraiser for the year which includes live auction, silent auction and raffles; your donation will be used in our LIVE auction.

Our goal is to raise in excess of \$250,000 for important wildlife programs and our many causes. In the past, this event has funded notable projects such as:

- Washington State Mountain Goat Surveys
- Blacktail Deer Hair Loss Studies
- Hunters for the Hungry donations
- Funding of hunts and fishing trips for veterans
- Annual youth programs and hunts
- Pronghorn Antelope re-introduction into eastern Washington

We can only accomplish these activities and more with your support, generosity and participation. In exchange for your donation, we will recognize your company via social media, quarterly newsletter to our membership, website, and event slide show.

Thank you in advance for your consideration of this opportunity. Seattle Sportsmen's Conservation Foundation is a 501(c)(3) non-profit organization and our Federal Tax I.D. number is 71-0867816.

Thank you,
